

Alderwood

OF DAVIDSON COUNTY

Honoring the journey of America's heroes

A HIGHER STANDARD OF VETERAN CARE

Veterans often carry experiences and challenges that require a deeper level of understanding and care. Our team is specially trained to honor those experiences with both clinical expertise and genuine respect, providing trusted support for Veterans and their families across the communities we serve.

Since 2021, Alderwood of Davidson County has maintained Level-4 We Honor Veterans status reflecting a deep commitment to providing the expert, trauma-informed presence our nation's heroes deserve.

A Legacy of Service

Your legacy of service deserves to be met with a legacy of exceptional care

Recognizing Your Service: Our formal pinning ceremonies honoring our patients include a certificate of honor and meaningful tokens of appreciation recognizing their military service and sacrifice. These special moments provide an opportunity for Veterans and their families to reflect upon, share, and honor a legacy of service.

Throughout the year, we also offer additional opportunities and moments of recognition to honor and support the Veterans we are privileged to serve, reflecting our ongoing commitment to acknowledging their sacrifice, service, and impact on our community.

Vet-to-Vet Volunteer Program: There is a unique bond between those who have served. Our Vet-to-Vet program pairs Veteran patients with Veteran volunteers to provide a level of camaraderie and understanding that only a fellow service member can offer.

If you or a loved one are a Veteran in need of specialized support visit: www.alderwoodhealth.org/services/veteransprograms
