Alderwood of Davidson County Earns Prestigious 2026 MatrixCare Hospice CAHPS Honors Award

National recognition highlights 15 years of excellence in compassionate, high-quality end-of-life care.

LEXINGTON, N.C. (August 6, 2026) — Alderwood of Davidson County (formerly Hospice of Davidson County) has been named a 2026 MatrixCare Hospice Consumer Assessment of Healthcare Providers and Systems (CAHPS®) Honors Award recipient. MatrixCare is a leading provider of CAHPS and bereavement survey programs for home health and hospice agencies.

The Hospice CAHPS Honors annual program shines a spotlight on high-performing hospice agencies that continuously deliver quality care as measured by patient and caregiver experiences. This prestigious program is based on satisfaction scores by the Hospice Consumer Assessment of Healthcare Providers and Systems (CAHPS) and exclusively recognizes hospice agencies that have chosen to work with MatrixCare to administer their hospice surveys.

“At Alderwood of Davidson County, our commitment to providing exceptional care at every touchpoint is at the heart of everything we do,” said Aaron Holt, Alderwood of Davidson County Chief Administrative Officer. “When patients and families navigate a terminal illness, every interaction matters. Earning the Hospice Honors Award for the 15th consecutive year—every single year since the award was created—is a powerful testament to the unwavering clinical excellence and deep compassion our team brings to work each day.”

Achieving this designation requires meeting exceptionally stringent criteria. Among thousands of hospice providers nationwide and 76 certified providers in North Carolina, only 18 earned Hospice Honors or Elite status for 2026. Alderwood of Davidson County is proud to have maintained this distinction every year since 2012.

For Alderwood of Davidson County, the recognition validates their enduring mission within the community.

“To receive this national recognition year after year, based entirely on feedback from the families we’ve served, is profoundly humbling,” Holt added. “Full credit belongs to our dedicated staff and caregivers, whose daily commitment ensures no family walks through end-of-life care alone. We remain deeply honored to serve our community.”
